Please advise on what needs to be inserted for each of these fields as we proceed. If you prefer to skip any of these fields or if they're not applicable, please let me know how you'd like to address them.

none for all

On page 11, there are fields that require your input, some of which are undefined and others are labeled:

1. Document Place
2. [Field 2_4 - key '2_4']
3. [Field 3_2 - key '3_2']
4. Spouse 1
5. [Field undefined 5 - key 'undefined 5']

10. Guardian 1
11. [Field undefined_7 - key 'undefined_7']
12. Guardian 2
13. Salary/Business Account 1
14. [Field undefined_8 - key 'undefined_8']
15. Salary/Business Account 2

Please provide the information for the fields with clear labels. For the undefined fields, we can either leave them blank or you can specify if there is a particular input you would like to include. Let's start with the 'Document Place' field and proceed from there.

assume some default example values for these fields

On page 12, we have a number of unidentified fields labeled numerically from 1 to 10 (with multiple instances of some numbers). Please provide details on what should be entered into each of these fields, or if you would prefer me to assume default values for them as well, just let me know.

well I'm good for today

Understood! We've made significant progress on filling out your PDF form today. If you have any more questions or need to continue later, feel free to reach out. Have a great day!
